## Our Service on the Internet

The screenshot shows the Helukabel website interface. At the top, there are navigation links for 'Download centre', 'Logistic centre', 'Company', 'Products', 'Quality', 'News', 'Contact', 'Service', 'Opinion', and 'Imprint'. The 'Opinion' link is highlighted. Below the navigation is a breadcrumb trail: 'You are here: Home > Opinion'. A search bar is located on the right. The main content area features a 'Photovoltaic system' section with an image of solar panels and a 'Your opinion is important for us' survey. The survey is titled 'Customer Satisfaction' and includes three questions: '1. How do you rate our product range?', '2. How do you rate the quality of our products?', and '3. How do you rate the price-performance ratio?'. Each question has a rating scale from ++ to --. A 'Send Survey' button is visible. On the right, there is a 'HELUKABEL world-wide' section with a world map and a 'please select...' dropdown menu.

### Your opinion is important to us

The greatest possible satisfaction of our customers is our highest goal. And so your opinion, suggestions or criticism are very important to us. We would be pleased if you could fill out the catalogue of questions and send it to us.
